Good Evening Sir,

I am forwarding this email to in regards to our conversation earlier.

I have spoken with A/Insp. Jeff Saruwatari in Lethbridge CTS and he indicates they have some resources they could make available to assist us this evening with

the Coutts blockade. I have received immediate request for assistance from the RCMP and they are looking for any assistance from the Sheriffs Branch we can provide.

I have a few Sheriffs on scene at a checkpoint who need to be relieved but we are out of resources in the area to relieve them for the evening. I do have a plan to deploy more officers from the South Region tomorrow morning for the next 5 days however I have nothing available for this evening. I am seeking 4 Sheriffs to attend Hwy 4 near Hwy 501 for relief if possible. There are members of other LE agencies posted at that point for support as well but considering the incidents of this afternoon, it would be safe to have additional resources available.

I understand A/Superintendent Schmidt would support a request for assistance and I am asking this request be forwarded to D/C Andrews for furtherance to D/C Coon for auctioning.

Thank you,
